

Andrew Mentis Fund Update: 08/06/2020

On Monday the 1st of June, 2020, I had the pleasure of meeting with a representative of the West Rand Christian Centre. For those of you who are unaware, the West Rand Christian Centre which is based in Claremont, Jhb was chosen as one of my charities for my Andrew Mentis year of fund raising.

We are very glad to say that we were able to assist in purchasing food and valuable essentials for the continued running of the centre to the value of R 10' 374.00. This was only achievable through the continued support of our members at Gauteng Nomads...For which we are extremely grateful. Thank you.

This food is distributed in food parcels to the local and very poor families in the community to help them fight poverty as well as the Covid-19 pandemic. Many Mothers, fathers, sons and daughters who are the bread winners of these families have been unable to work or have even lost their jobs completely during this world wide crisis we currently find ourselves in.

While we know R 10' 374.00 does not go very far, the ladies and gents who volunteer at the Centre were extremely grateful and appreciative for the assistance we could provide. Even if it was just to feed a few starving families for now. There is still so much they need for the continued support to the community and I'm looking really forward to contributing further to their cause.

I'm sure you are all aware, As Nomads is currently on hold, so is our fundraising campaign. This has most certainly put the brakes on our plans to continue supporting local charities. Your unwavering support as Nomads every year plays a considerable part in what we try and achieve, and for that we are so very grateful. If you would like to contribute further to the Andrew Mentis Fund, it would be greatly appreciated. Anonymously or not. Every penny helps.

Thank you all once again... Looking forward to seeing everyone on the fairways of your favourite golf course really soon.

Stay safe and above all, stay healthy....

Yours in Golf!
